(RESOLUTION)

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT the City Council of the City of Austin hereby approves as a
filling station site the property located at the southwest intersection
of Fredericksburg Road and Barton Springs Road, same being a portion of
the Isaac Decker League within the City of Austin, and being located in

the 500 block of Fredericksburg Road, and hereby authorizes the said Sinclair Refining Company, acting by and through A. F. Buck, District Manager, to construct, maintain, and operate a drive-in gasoline filling station and to construct curbs, ramps and sidewalks in conjunction therewith, subject to the same's being constructed in compliance with all the ordinances relating thereto, and further subject to the foregoing attached recommendations and plans; and the Building Inspector is hereby authorized to issue an occupancy permit for the operation of this filling station after full compliance with all the provisions of this resolution, and said permission shall be held to be granted and accepted subject to all necessary, reasonable and proper, present and future regulations and ordinances of the City of Austin, Texas, in the enforcement of the proper police, traffic and fire regulations; and the right of revocation is retained if, after hearing, it is found by the City Council that the said Sinclair Refining Company, acting by and through A. F. Buck, District Manager, has failed and refused, and will continue to fail and refuse, to perform any such conditions, regulations and ordinances.

(Recommendations attached)

"Austin, Texas
December 21, 1946

Mr. Guiton Morgan
City Manager
Austin, Texas

Dear Sir:

We, the undersigned, have considered the application of the Sinclair Refining Company, acting by and through A. F. Buck, District Manager, for permission to construct, maintain and operate a drive-in gasoline filling station and to construct commercial driveways in conjunction therewith upon the property located at the southwest intersection of Fredericksburg Road and Barton Springs Road, same being a portion of the Isaac Decker League within the City of Austin, and being located in the 500 block of Fredericksburg Road, and the property upon which this filling station is to be located is under option to the Sinclair Refining Company, and we hereby advise that the following conditions exist:

The property upon which this filling station is to be located is designated as "C" Commercial Use District upon the zoning maps of the City of Austin.

A storm sewer exists in Barton Springs Road adjacent to this filling station site.

We recommend that the Sinclair Refining Company acting by and through A. F. Buck, District Manager, be granted permission to construct, maintain and operate said drive-in gasoline filling station and to construct curbs, ramps, and sidewalks in conjunction therewith, subject to the following conditions:

(1) That all buildings and equipment shall be placed inside of the property line, correct lines to be obtained before construction starts or equipment is installed. Lines and grades to be obtained from the Department of Public Works for entrances and driveways, building lines to be

approved by the City Building Inspector. That the applicant shall confer with the Department of Public Works as to the future grades of the sidewalks and gutters on the adjacent streets before he starts any construction relative to the filling station.

(2) That the gasoline tanks and pumps shall be of an approved type and shall bear the label of Underwriters Laboratories, Inc.; that all construction of the filling station improvements shall be in accord with the Building Ordinance, the Zoning Ordinance, the Filling Station Ordinance, and in accord with the ordinance prohibiting the disposal of commercial water or oils upon the City streets.

(3) That the grades of the station shall be such that no waste water or oils or any floor washings shall ever pass over the City sidewalk area and that all of said oils and water shall be concentrated into a combined grease and sand trap, which shall be constructed in accordance with our standard plan 2-H-146 and shall be conducted by a pipe connection from said sand trap to the nearest storm sewer. Before commencement of any construction the applicant shall apply to the Director of Public Works for an estimate of the cost of that portion of the storm sewer which will have to be built within any City street or alley and shall deposit in escrow a sum equal to said estimate with the City Finance Director.

(4) That all filling station improvements, pumps, driveways, ramps, gutters, sidewalks, and curbs shall be constructed of concrete at the expense of the applicant, as set forth upon the plan hereto attached, which plan bears the Director of Public Works' file Number 2-H-853.

(5) Expansion joints shall be constructed as shown upon the plan hereto attached marked 2-H-853, and shall be of the pre-moulded type.

(6) That before use of said station, the owner shall apply to the Building Inspector for final inspection when he considers that he has complied with all the requirements of the City.

Respectfully submitted,

(Sgd) J. E. Motheral
Director of Public Works.

" J. C. Eckert
Building Inspector. "

Said gas main described above shall have a cover of not less than $2\frac{1}{2}$ feet.

The Texas Public Service Company is hereby put upon notice that the City of Austin does not guarantee that the space assigned above is clear from other underground utilities, but is based upon the best records we have at hand, and that the minimum depth stated does not have any reference to the fact that greater depths may not be required at special points. When the Texas Public Service Company requires definite information upon the ground as to elevations or working points from which to base the location of their assignments, they shall apply to the Department of Public Works not less than three (3) days before such information is required. The Texas Public Service Company is further put upon notice that they will be required to bear the expense of repairs or replacement of any underground utility damaged during the construction of lines named in this resolution.

And that whenever pavement is cut in the vicinity of a fire plug, water must be used at intervals during the course of backfilling of the

ditches.

That the work and laying of said gas mains, including the excavation in the streets and the restoration and maintenance of said streets after said mains have been laid, shall be under the supervision and direction of the City Manager, and under all the pertinent terms and conditions of the certain franchise granted to said Company by the City of Austin.
